

Buzzy Bees 1 & 2

April 2024 Newsletter

Dear Parents,

Spring has sprung, and the Buzzy Bees have planted Sunflower seeds and other seeds in the garden! With a little luck and faith, we will see tall, beautiful sunflowers a few months from now. Speaking of luck, St. Patrick's Day was giggly fun with discoveries of where the leprechauns had gone and what they had left behind. The children also became scientists, by classifying and sorting Lucky Charms cereal and documenting how many of each charm they found in their bags.

This month, we will be traveling to Poland! Our themes are the Solar Eclipse, Earth Day, Insects, & May Crowning. Our letters of study are P, B, Q, & K, along with number 20, 1-20 review, & number patterns. We are also very excited to learn about the total Solar Eclipse happening on April 8th 2024!

Parents, an important reminder, if your child borrows school bedding/blankets, please return them laundered the next day! When several families borrow and don't return right away, we have no bedding for children who do not have theirs. Your help with this matter is greatly appreciated!

*Kindness Gotchas for the month of March: Thank you Vincent, Wesley, and Anneke for setting a good example at nap time and resting quietly! Thank you friends!

Spring Blessings,

Ms. Fitts

Important Dates to Remember:

4/8 Classes Resume

4/12 HALF DAY; p/up 11:55

4/17 HALF DAY; p/up 11:55

5/3 May Crowning in the Garden at 9:30 am; HALF DAY; 11:55 p/up
