

## Sunflower News Letter

Hello Sunflower Parents,

We hope you had a wonderful Easter break with your families. We are happy to see all our sunflower friends back and ready to learn.

This Month we will be learning about the core value of Patience. Our themes are the season of Easter & Spring, Pond life and the Life cycle of butterflies and frogs.

We will also be preparing for May crowning, learning songs and prayers about our Mother Mary.

Blessings,  
Mrs. McDowell & Mrs. Mahler
