

August and September Newsletter

Dearest Buzzy Bee 2 Families,

Welcome to the 2021 – 2022 school year! I do apologize for not being here to personally greet you on Saturday, however, I want you to know that I am here for you and your children and very excited to commence an amazing school year!

On the week of August 23rd, I invite all the children to fill a “All About Me” bag. Directions and bag will go home by the end of this week.

The week of the 30th we will have a lesson about the “Creation Story” in the bible. We will conclude our week with “an edible reenactment”. There will be a sign-up list if you would like to donate items for this activity. *Remember all donations are credited back to you as Service Hours, just remember to submit your receipts to the school office.*

If any questions or concerns arise, please feel free to email me any time. I check my emails every morning and in the evening. If it is urgent, you may leave me a note or inform Mrs. Barragan.

Thank you for choosing Nazareth Preschool. I am truly honored in being part of your child’s educational journey!

Respectfully,

Mrs. Cynthia Sebring
