December Newsletter 2023

Dear Parents,

I hope all of you enjoyed the time off with your friends and family, I sure did! Time off replenishes our souls and gives us a renewed sense of purpose. Christmas is just around the corner, and your children will be busy readying themselves for our annual Christmas program on December 20th. This month goes by quickly, but always remember to find those little bits of time that bring you peace and happiness.

This month the children will be learning about Advent, Las Posadas, Christmas, and the importance of family. Our Core Value this month is Love, which is so fitting during this time of year. In between practicing for our Christmas Program, making "special" Christmas projects, and Christmas crafts, we will be reviewing what we have learned thus far. Your children are doing an amazing job!

*Kindness Gotcha for the month of November: Thank you Shane for practicing one of our Core Values; Patience with a younger friend. Thank you Shane!

I just want to take a moment to wish all of our families a Merry Christmas and a Happy New Year! Love your families, snuggle in close and know that we are all so blessed! *And if you are able, share the LOVE and donate a toy to our annual toy drive.

Christmas Blessings, Peace, and Love,

Ms. Fitts
