

Buzzy Bees 1 & 2
February 2025 Newsletter

Dear Parents,

I hope your new year is off to a good start! As I mentioned in our January newsletter, your children are learning and growing in their knowledge of what it means to be a student in school. We are working towards Kindergarten readiness which means applying everything we have been learning and practicing. Thank you parents for being so diligent with homework; taking what we learn in class and practicing it at home helps greatly with retention.

This month our Core Value is Love. We will also be traveling to Italy! Our themes this month are Community Helpers, Love & Friendship, Lent, & Dr. Seuss. Our letters of study are R, N, H, & M, along with numbers 16, 17, 18, & 19. In Religion we will be learning how to become closer to God and what this means to each one of us.

On Valentine's Day the Buzzy Bees will exchange valentines. Please bring enough valentines for your child's class. The BB1 class has 10 children, and the BB2 class has 11 children. You do not need to address who they are to, just who they are from. We will exchange valentines in our respective classes. Thank you.

*Kindness Gotchas for the month of January: Thank you Lucas for helping Ms. Fitts put all of our bikes away, without being asked, in the garden. Thank you Lucas! Thank you Rocco and Nico for being such awesome visitors/good listeners in Ms. Fitts' class last week. Thank you Rocco and Nico!

Blessings of love and friendship,

Ms. Fitts

Important Dates to Remember:

Feb. 7th HALF DAY; 11:55 p/up

Feb. 17th NO SCHOOL; President's Day

Feb. 18-21; Buzzy Bees Parent/Teacher Conferences
