Dear Parents,

It is hard to believe that registration time is here! This is the time when we begin our planning for the next academic year. Nazareth School will hold registration for the 2022-2023 school year from March 1st through March 3rd. This year we are offering registration times after school, from 3:00-5:30 pm. If you are unable to register at one of those times, please contact the office for an appointment. Nazareth School is very fortunate and blessed to have waiting lists for many of our classes. Consequently, it is highly important that you communicate your family's intention to return for the 2022-2023 school year. **Please note:** The Registration Fees will increase to \$100 per child, from \$50, after March 4, 2022. We have indicated to interested families that we will begin New Family Registration on Monday, March 7, 2022.

The Congregation of the Sisters of Nazareth and school leadership would like to personally thank you for partnering with Nazareth School. These past two years have been full of challenges, and together we have reimagined our wonderful school. We have been able to proudly open Nazareth School in a loving and safe environment, in order to support our entire community's needs.

Our Nazareth community has come together with the Halloween Trunk-or-Treat, Turkey-Trot, and our amazing in-person Christmas Program. In addition, this year we are able to join as a Nazareth Catholic family for Thursday Assemblies and Friday Masses. The Sisters of Nazareth Foundation and PTG have taken our school to the next technological level by purchasing new Chromebooks and additional iPads for our students. We have invested great time and effort to ensure all students are provided with an excellent academic curriculum.

As a community, we recognize the financial sacrifices that families face when choosing to send their children to Catholic school. Our mission at Nazareth School is to provide all of our students with an exceptional Catholic education and prepare them to be excellent stewards in the future, by living our core values of love, hospitality, respect, compassion, patience, and justice.

The Sisters of Nazareth Foundation has covered the shortfall, and the unanticipated cost due to COVID-19. As a non-parish school, we do not have the financial backing of a parish, and we rely on the Foundation and our Nazareth School families. We will continue to identify areas to reduce costs without negatively impacting our students. It is our mission to ensure Nazareth School is financially viable.

For the school year of 2022-2023 we will be increasing tuition. The Sisters of Nazareth Foundation will continue to offer tuition assistance through the use of the FACTS Grant and Aid qualification process. Please log onto our Nazareth School website select the admissions tab, go to Registration, Tuition and Financial Aid, and then select FACTS Tuition Management.
