Dear Parents,

It is hard to believe that registration time is here again! This is the time when we begin our planning for the next academic year. Nazareth School will hold registration for the 2024-2025 school year from Tuesday, March 5<sup>th</sup> through Thursday, March 7<sup>th</sup>. We are offering registration for returning students in the auditorium from 3:00p.m. - 5:30 p.m. Nazareth School is very fortunate and blessed to have waiting lists for many of our classes. Consequently, it is very important for you to communicate your family's intention to return for the 2024-2025 school year. **Please note:** After March 7, 2024, the registration fees will increase from \$50 to \$100 per child, no exceptions. In the spirit of our Core Value of Hospitality, we have indicated to interested new families that we will begin New Family Registration on Monday, March 11, 2024.

Our Nazareth Catholic community has come together with the Halloween Carnival, Turkey-Trot, the Christmas Program, Grandparents Day and we have survived a historic hurricane, floods and a tornado warning. In addition, we celebrate community through Thursday Assemblies and Friday Liturgies. Thank you to our students, faculty, staff, parents, Nazareth House and the Sisters of Nazareth Foundation for their teamwork. As our WCEA/WASC Accreditation validated, Nazareth School continues to excel in every category. We proudly achieve academic excellence, as validated by our 2023 Fall STAR/Renaissance Testing results, by exceeding the Diocese of San Diego aggregate results. In addition to our wonderful math, and English language arts curriculums, our new investment in the religion, science and middle school social studies curriculums are supporting Nazareth School's mission to develop faith-filled learners.

As a community, we recognize the financial sacrifices that families face when choosing to send their children to a Catholic school. Our mission at Nazareth School is to provide all of our students with an exceptional Catholic education and prepare them to be excellent stewards in the future, guided by our core values of love, hospitality, respect, compassion, patience, and justice.

The Sisters of Nazareth Foundation has covered the shortfall, and the unanticipated cost due to the need for greater security and facilities improvements. As a non-parish school, we do not have the financial backing of a parish, and we rely on the Foundation and our Nazareth School families to support our amazing school. We will continue to identify areas to reduce costs without negatively impacting our students. It is our mission to ensure Nazareth School is financially viable.

For the upcoming school year of 2024-2025 we will be increasing tuition. Please log onto our Nazareth School website, select the admissions tab, go to Registration, Tuition and Financial Aid, and then select FACTS Tuition Management. The FACTS Grant and Aid registration for aid closes on Tuesday, April 30, 2024.
