

NAZARETH NIGHT 2024

MARDI GRAS: BEADS & BLING

50/50 Raffle

TICKETS | \$100 | PURCHASE ON CLICK BID

This is a reverse raffle where numbers are drawn down from a raffle drum throughout the event. Ticket numbers are displayed on a board at the event. When the last 5 numbers are remaining to be drawn, their owners are invited to the stage. At that time, the top 5 will decide to split the pot or continue drawing numbers. If a ticket holder is not present and a proxy is not identified, the drawing continues. If the ticket holders are present and decide to continue, after each draw the same question is presented until an agreement is made to split or a winner is announced. The last number drawn is the winner of 50% of the total buy-in sum.
