

Buzzy Bee Newsletter

Dear Buzzy Bee Families,

November is a wonderful month full of fun activities. It is also a time to pause and remind us all to count our blessings. It is important to model this behavior to our children, through prayer or conversations. This month we will be adding grateful intentions to our daily morning prayer.

On Friday November 3rd we will have a Harvest Festival. It is also a half day. More details to follow

The week before Thanksgiving we will read Stone Soup. We will do a class activity by cooking stone soup. The children will be asked to bring in an ingredient for our soup.

Dia de los Muertos Altar

The first week November we will have a Dia de los Muertos altar. Dia de los Muertos is a tradition from Mexico that celebrates the lives of our loved ones who have passed away. The children will learn about the traditions and customs. You are invited to bring in a loved ones picture who passed away to add to our altar.

Give thanks to the Lord, for He is good; His love endures forever!
Psalm 107:2

As I told you at our conference my last day before my maternity leave will be Thursday November 9th. Thank you for your understanding

Core Value:

Respect and Hospitality
