

Nazareth School PTG's 5 Things... November 2024 Edition

a quick highlight of PTG happenings this month

For more information, please reach out to NazarethSchoolPTG@gmail.com.

1. By a vote of 8-3, the PTG Board approved a one-time allocation of \$1,659 to cover transportation expenses for the 7th and 8th grade field trip to the Museum of Tolerance. This funding is intended to offset rising costs and ensure the trip remains accessible.
2. Thanks to our wonderful community, this year's Halloween Carnival was a success, bringing in \$2,000 for our school.
3. The PTG has approved \$50,000 to bring the lower field play area and equipment up to current safety standards. Nazareth aims to complete these upgrades over the Christmas break.
4. Nazareth is excited to share that the funds raised from this year's Turkey Trot will directly support STEAM lab education and learning support curriculum.
5. The PTG will hold a teacher appreciation lunch on November 12th to celebrate their hard work and dedication.

****Special Note**:** Nazareth is excited to announce the lower field replacement slide will be installed Wednesday, December 4th.
