

Buzzy Bees 2 October Newsletter

2023

Dear Parents,

The month of September was busy and filled with many new experiences. In Religion the children enjoyed learning about the many days of the Creation Story. They also took their first walking field trip to visit the seniors at Nazareth House. In Science, the children participated in sensory experiences by tasting 3 kinds of apples, eating apple pie, exploring fall leaves, and recording what they discovered. We ended September with a bang by finishing up our Geography unit on the U.S.A. with fireworks art and an imaginary trip through the U.S.A. Next month, Germany here we come!

October will bring new lessons on farms, fire safety, pumpkins, Halloween, and the Day of the Dead. We will also be learning about the letters li, Ll, Tt, & Jj, and the numbers 1, 2, 3, & 4, along with new shapes and colors. Lastly, our Core Value of study will be Hospitality.

Reminder, Parent-Teacher Conferences for the Buzzy Bees will begin on Monday, October 23 and run through Thursday, October 26.

Don't forget, our school Halloween Carnival will be on Friday, October 27th! On the 31st the children may wear their Halloween costumes to school. Please remember, no masks and make sure your child can easily wear their costume throughout the whole day without extra assistance.

Thank you parents for all of your help and contributions. It is truly appreciated!

*Kindness Gotcha for the month of September: Thank you Ava for caring for a friend who fell.

Many Blessings,

Ms. Fitts
