Dear Nazareth Parents,

The Congregation of the Sisters of Nazareth and school leadership would like to personally thank you for partnering with Nazareth School. As a community, we recognize the financial sacrifices that families face when choosing to send their children to Catholic school.

Victoire Larmenier was inspired by the spirit of the Gospel and founded the Sisters of Nazareth. We are committed to this Mission entrusted to us by the Church. "Together with the people of God, we aim to present the love of Christ to all, especially those in need, through the ministry of care and education. We value and respect the dignity of each human person based on the words of Christ: "You did it to me" (Matt. 25:40).

Our Mission at Nazareth School is to provide all of our students with an exceptional Catholic education and prepare them to be excellent stewards in the future, by living our core values of love, hospitality, respect, compassion, patience, and justice.

With this Mission imbedded in our hearts, the Sisters of Nazareth Foundation will continue to offer tuition assistance through the use of the FACTS Grant and Aid qualification process. This is a financial needs-based program, and the Nazareth Foundation will work with all families needing assistance. Applications are currently being accepted for Nazareth School Tuition Assistance for the 2024-2025 school year and all applicants must be enrolled in Nazareth School for the 2023-2024 school year. The deadline to apply for financial assistance is April 30, 2024.

Thank you for entrusting Nazareth School with the Catholic education of your children. With all of us working together as partners and with God's blessings, all things are possible.

May the Holy Family of Nazareth watch over you and your family and all who are involved with Nazareth School.

Sincerely,

Sister Rose Hoye csn
